FALZ

The diagram illustrates the layout of a postal envelope, divided into four distinct zones. The top half of the envelope is a large white area. The bottom half is divided into three sections: a white 'Absenderzone' on the left, a light gray 'Frankierzone' on the top right, and a bright pink 'Lesezzone' on the bottom right. A light gray 'Codierzone' runs horizontally across the bottom of the envelope. The entire layout is enclosed in a dashed pink border, with small scissors icons at the top, bottom, and left edges indicating where to cut.
